Dear:

Enclosed you will find a "Personal Financial Statement" which will be used to determine if you are eligible for financial assistance. In order for your request for assistance to be processed, you will need to complete and sign the entire form and submit copies of the following items within fifteen (15) calendar days:

- All sources of income for the last three months.
- Copies of most recent paycheck for three months for responsible members of household. This includes disability checks.
- Statements from all bank accounts, certificates of deposit, stocks, bonds, real estate, 401(K), etc.
- Most recent state and federal income tax forms including W2's and Schedules C, D, E and F. If you did not complete a tax form, we need a statement from the IRS showing you did not file a tax form. You can obtain this information by calling the IRS at 800.829.1040.
- If you are not employed we can also accept a statement from the unemployment office stating you are not working and for how long.
- Health Insurance Cards

It is important that you return all of the above items, including the completed and signed Personal Financial Statement. Your request cannot be processed without the above information and you will be subject to the OrthoIndy Hospital Financial Policy. **Your signature is required to obtain the credit report.**

If you have any questions or difficulty in obtaining the necessary information, please call our Patient Financial Services Manager at 317.773.4225.

Sincerely,

Patient Financial Services
