

Chris LeBouef, OT

Chris graduated from Indiana University in 1990, receiving a bachelor's degree in occupational therapy. She has worked in a psychiatric hospital in Fort Wayne and a rehab facility at Winona. Chris also worked at St. Francis Hospital in hand therapy as the senior occupational therapist and occupational therapist education coordinator for 19 years before she came to OrthoIndy. Chris started at OrthoIndy in 2011. She is an occupational therapist at OrthoIndy South Physical Therapy. Her favorite thing about OrthoIndy is the close interaction she has with the physicians. Chris said the close proximity with the physicians makes for a true team interaction and great communication for patient care.
